Snuggle Nest® Afterglow/Surround DL

Portable Infant Sleeper

Care & Instructions

CONGRATULATIONS ON YOUR PURCHASE OF THE Snuggle Nest.® Created by a mom who practiced co-sleeping with her own infants, Snuggle Nest® products are designed to help protect infants while sleeping with parents. The Snuggle Nest® is a unique product that offers a deeper feeling of security and closer access to your baby, while completely enclosing him with a combination of rigid walls and flexible air-barrier panels, for added security where it's needed most. Our comfortable extended length mattress allows for ample room, while additional features such as breathable mesh, a nightlight and a wraparound sheet combine for an enjoyable nighttime (or anytime!) experience with your baby. At home or on-the-go, we know you will enjoy your Snuggle Nest.®

Co-Sleeping

With the Snuggle Nest® fully assembled and extended, place the lighted end of the product in the center of the adult bed, against the headboard. Make sure that adult bedding does not cover the product. Never stack pillows or leave decorative pillows on the bed when using the Snuggle Nest.® Use only one pillow per adult. Place the infant in the center of the product near the lighted end of the Snuggle Nest.®

Infants should always be placed to sleep on their backs. If you remove the infant from the Snuggle Nest® to breastfeed during the night, always place the baby back in the Snuggle Nest® before going back to sleep. Discontinue use when baby begins to roll over or push up on hands or knees.

⚠️ WARNING: FAILURE TO FOLLOW THESE WARNINGS AND THE INSTRUCTIONS COULD RESULT IN SERIOUS INJURY OR DEATH.

FALL HAZARD: To help prevent falls, do not use this product when the infant begins to push up on hands and knees, can roll over or has reached 15 lbs, whichever comes first.

- ALWAYS use on a flat, stable surface.
- NEVER move, lift or carry this product while child is in it.
- NEVER place on an elevated surface other than an adult bed.
- NEVER use near stairs.
- DO NOT place product at edge of bed. Allow 12 inches from edge of bed.

SUFFOCATION HAZARD - Infants have suffocated:

- In gaps between extra padding and side of the product.
- On soft bedding.

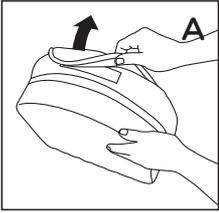

Only use the original pad provided by Baby Delight. NEVER add a pillow, comforter, or another mattress for padding. Keep adult sheets, pillows and blankets away from baby.

To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their backs to sleep, unless otherwise advised by your physician.

If a sheet is used with the pad, use only the one provided by Baby Delight or one specifically designed to fit the dimensions of the Snuggle Nest mattress.

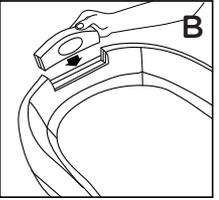

- Do not use this product if the adult mattress is not firm enough to allow the product to lie flat when adults are in the bed. NEVER use on a water mattress.
- NEVER use in a motor vehicle.
- NEVER use in a crib or play yard.
- NEVER allow infant to co-sleep with a child or pet or an adult who is under the influence of alcohol or medication or who is obese or has a sleeping disorder.
- Keep product away from hazards that may injure your child.
- Do not allow blankets near your child. Place the product's head side against the headboard of the adult bed.
- Strings can cause strangulation! Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over the product or attach strings to toys. NEVER place the product near window blinds with cords.
- NEVER leave child unattended.

Use and Care

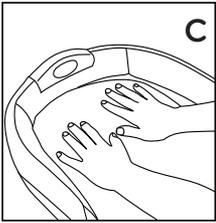

Install light

Once you have opened the Snuggle Nest® and discarded packaging materials, install batteries in the light (see page 5). Once you have installed the batteries, insert light firmly in the opening on the top end of the tray (A).

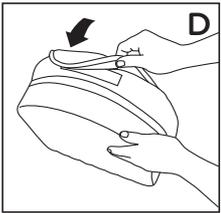

Install the mattress pad, fitting snugly against all surrounding walls (B). Snuggle Nest® is now fully assembled.

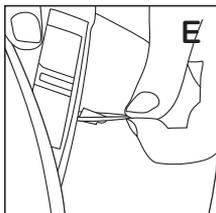

Place mattress pad

To fold the Snuggle Nest® for travel: Bring both ends of the unit toward each other and secure the hook and loop fasteners over the top of the light area (C). The mattress may be stored inside the unit when folded.

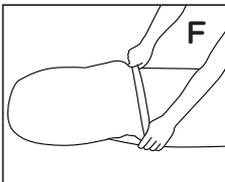

Fold for travel

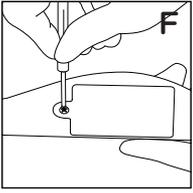

Removing the cover

To wash the fabric cover: Unzip both ends of the cover. Remove the small tray first. Remove the large tray by releasing all three elastic loops from the plastic hooks on the back of the light opening (D).

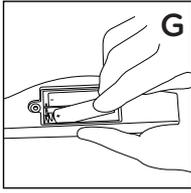

To wash the fabric sheet: Remove the mattress pad from the opening on the back of the sheet (E). See page 5 for care instructions.

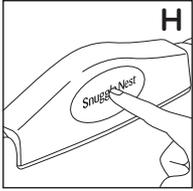

Nightlight Unit Assembly and Usage

Unscrew lid

Insert 2 AA batteries

Touch light on/off

Adult assembly required. Product requires two AA batteries (not included). Remove light unit from the light-holder in the plastic tray of the Snuggle Nest® by holding the center of the light and sliding the light straight UP. Unscrew and remove the battery compartment lid (F). Insert two AA batteries into the compartment, noting the positive and negative markings for battery positioning (G). Replace the battery compartment lid by screwing the lid onto the light in the original closed position. DO NOT overtighten. Replace nightlight by sliding it back into light holder at the head of the Snuggle Nest.®

LIGHT: To operate the light, press the center of the light lens and the light will come ON (H). Press the lens again and the light will go OFF.

⚠ WARNING! The nightlight product is not a toy. Do not allow children to play with nightlight. Use with proper adult supervision only. ALWAYS install the light on the Snuggle Nest® only as instructed. NEVER mix old and new batteries. NEVER mix alkaline, standard, or rechargeable batteries. ALWAYS remove batteries when light is stored for an extended period of time or when batteries are exhausted. Dispose of exhausted batteries properly.

Cleaning

The Snuggle Nest® cover and sheet are machine washable. Always wash in cold water and dry on low heat to keep your Snuggle Nest® in the best condition. Do not use bleach. The vinyl mattress cover and the plastic base can be cleaned with a wet cloth.
